Separately File Tax Return Increase Tax Reduction

The Revenue Department (RD) initiates to allow married couple to separately file tax return resulting in an increase in tax reduction. Mrs. Jittamanee Suwannapoon, Principal Advisor on Tax Base Management as the RD spoke-person announces that the RD initiates the regulations on Married couple's income is difficult to divide due to the fact that both operate their business together this income is subjected to tax in section 40(2)-(8) in the revenue code. The RD allows married couple to divide their income to 50% in portion. Now, taxpayer can pay personal income tax (P.N.D.90-91) for 2012 income.
